

Dear Primary School Parents,

As Dr. Lewis shared with you via email this evening, our Primary School division has learned of a parent who has tested positive for COVID-19. ***The student of this individual has tested negative.*** As a precautionary measure, the Primary School Annex building will be closed tomorrow for students and staff.

In order to facilitate our Virtual Learning platform for a full remote day on Friday, we ask all Primary School families to **pick up their students' Chromebook and materials at the Annex entrance tomorrow morning between 8:30 AM and Noon.** Please ring the Annex building intercom at the Winston door on the side of the Annex building and your materials will be delivered to you at the entry door. These materials are necessary for students to participate in their regularly scheduled remote day on Friday. Please note as part of our daily school cleaning protocol, all materials are regularly sanitized and the building undergoes routine cleaning throughout the school day.

The Primary School teachers have uploaded links to various resources for our students which can be found in the Google Classroom Homeroom for use tomorrow as an optional resource. The students will return to a school day schedule on Friday using our virtual remote platform. We anticipate a return to full in-person learning on Monday, November 16th.

Thank you for your understanding and cooperation. We are greatly appreciative of your continuous support.

Warmly,

Daniele Kass

Dr. Daniele Kass, Ed.D.
