

Dear Lower School Parents and Families,

As we continue to monitor daily updates and recommendations regarding the Coronavirus (COVID-19), we want to ensure that students are prepared with the necessary materials and technology should the need arise for remote learning.

To that end, each Lower School student will be supplied with a Winston-issued Chromebook/charger and a folder containing the following:

- Log-in directions for Google Classroom
- A Username/Password sheet with log-in credentials to your child's Winston Google account and apps used in our classes
- A copy of the Lower School schedule for remote teaching days
- A hard copy of the spring reading novel, specific to your child's reading class/teacher
- Hard copies of reading and language arts materials

Please be sure your child's Chromebook is fully charged at all times and you have school supplies such as highlighters, pencils, a dictionary, and paper available. Students must also have a working printer.

During days of remote learning, students will be required to log in to their Google Classroom at 8:10 AM each morning.

We greatly appreciate your partnership as we continue to support the health and wellness of our community.

If you have questions or concerns, please feel to contact me.

Warm regards,

Abigail Debevoise
Lower School Division Head
