

Dear Primary School Parents and Families,

We want to ensure all families that students are prepared with the necessary materials and technology as we transition to a **remote learning environment beginning this Monday, March 16th.**

Yesterday, each Primary School student was supplied with a Winston-issued iPad/charger and a folder containing the following:

- A Username/Password sheet with log-in credentials to your child's Winston Google account and apps used in our classes
- A copy of the Primary School schedule that will be followed during remote teaching days
- A hard copy of the shared division reading novel with a digital link to an audio/visual version of the book; a hard copy of Blue Book Course Materials
- Log-on directions for Google Classroom

**Beginning on Monday, March 16th, Primary School Students will be required to log into their Google Classroom HOMEROOM at 8:10 AM each morning.** From there, teachers will be connected with them and give directions for the next steps. On the attached schedule, you will find the time of each class for each grade of the Primary School. At the beginning of each period, students should be logged into the google classroom for the subject area scheduled for that time. Attendance will be taken and logged for each class period as a regular school day. Assignments provided and requested by teachers will count and are required for student participation in the day's learning activities. The schedule attached below. Specials will be included in the last period of each day and each Google Classroom will have a place to log into the "specialty" area. I encourage you to connect with your teachers regularly with any questions you may have as we navigate through this process.

Please be sure your child's **iPad is fully charged at all times** and you have school supplies such as highlighters, pencils, and paper available. Access to printing is also recommended.

We greatly appreciate your partnership as we continue to support the health and wellness of our community.

If you have questions or concerns, please feel to contact me.

Warm regards,

Daniele Kass
