

On behalf of The Winston School of Short Hills, I would like to acknowledge the many contributions of the School's Board of Trustees. The Board is the chief governing body of Winston and guardian of our mission. The Board of Trustees includes current and former Winston parents as well as community members who provide invaluable leadership and fiduciary oversight.

At the May Board meeting, Jennie Tinkelman, board president, praised the tremendous contributions of three members who have completed their terms and are exiting the board.

Julie Singer, a former parent, served as a member of the Institutional Advancement committee from 2017- 2020. Despite a very active travel schedule, Julie's dedication to the Winston School and the Board never waned. Her insight and experience in fundraising for non-profits was greatly appreciated.

Ken Tanji, a former parent, served as a Trustee from 2014 - 2020. Ken was a long-term member of the Finance Committee and served on the Executive Committee as Treasurer. His keen insight and skills in financial management have benefited the oversight of the school's financial operations including the long-term management of our endowment.

Greg Williams, a Winston Alumni, joined the Board in 2013, serving on the Committee on Trustees as well as Institutional Advancement. Greg's long-term and active relationship with The Winston School as both a trustee and alumni distinguish him as a judicious steward of the school. The Board is pleased to offer congratulations to Greg as he transitions to a new role at The Winston School as Director of Admissions.

In May, the Winston Board also welcomed three incoming Trustees who will be joining the board for a three year term starting in the 2020-2021 school year:

Angie Drakulich, Current Parent

Karl Hersch, Current Parent

Jason Lemme, Current Parent
